

## **Note No. MA 4/2016**

The Office of the Representative of Malaysia on the ICAO Council in Montreal, Canada presents its compliments to the Arab Civil Aviation Commission (ACAC) and has the honor to refer to the Memorandum of Understanding (MOU) between the Government of Malaysia and ACAC sealed on 17 May 2016. Under the MOU, the Government of Malaysia has agreed to provide aviation-related training for aviation personnel from ACAC member countries under the Malaysian Technical Cooperation Program (MTCP). The government of Malaysia undertakes to bear the expenses for the participants in their air tickets, accommodation and subsistence allowances for the duration of the course.

The Office of the Representative of Malaysia has the honor to inform that for the year 2016, the following course will be held at the Malaysian Aviation Academy (MAVA).

### **(I) Air Traffic Control Centre Supervisors/ Manager - 8<sup>th</sup> to 19 August 2016**

A total of three (3) fellowship will be offered.

In light of the above, ACAC is therefore requested to invite applications from ACAC member countries to participate in the program. Kindly observe the procedure for submission specified in the application. It shall be the discretion of ACAC to coordinate the selection process thereafter the shortlisted applications shall forward their respective nominations to the Malaysian Embassies/ High Commissions of the states (or adjacent state) of the nominated candidates for onward transmission to the MTCP Secretariat.

The final selection of candidates would be undertaken by the various Selection Committees comprise of the Ministry of Foreign Affairs Malaysian and MAVA. It is to be reminded that the nominations are not necessarily accepted since the criteria of selection will be based on merit and qualification.

For contingency intends and purposes, ACAC is invited to shortlist four (4) applications for the selections. The decision of the Ministry of Foreign Affairs Malaysia and MAVA on the total three (3) selected candidates shall be final.

Qualification for the course and the application form for the MTCP are as attached. For further information, kindly access to the portal <http://mtcp.kln.gov.my>. The deadline for the applications is on **30 June 2016**.

The Office of the Representative of Malaysia on the ICAO Council in Montreal, Canada avails itself of the opportunity to renew to the Arab Civil Aviation Commission (ACAC) the assurance of its highest consideration.
